

# 2024 Duchesne County

## Livestock Tagging

## Locations

We will be tagging at central locations for each area of the county. If you cannot make your area tagging date, we strongly encourage you to attend one of the other location dates. There will be a \$30 fee plus \$5 per animal tagged, charged if we are required to come to your residence/farm to tag animals.

This fee will be collected at the time of tagging. All animals (except hogs) must be haltered to be tagged. All youth must be signed up for 4-H (4h.zsuite.org) or with an FFA advisor **BEFORE** tagging.
