HOW TO SUPPORT A JR. LIVESTOCK EXHIBITOR

Buy an Animal

Individuals and companies may buy an exhibitor's animal at the Jr. Livestock Sale on the last Saturday of the Rich County Fair. Buyer registration begins at 10:00 am with the public auction beginning at 11:30 am. Buyers may buy animals using the following options:

Buying the animal for individual use or home use - buyers may purchase the animal with the intent of using the meat from the animal. The highest bidder pays entire sale price PLUS cut and wrap.

Buying the animal for support purposes only - the highest bidder is responsible for any money spent beyond the floor price. Buyers who wish to support an exhibitor without purchasing the animal for consumption may use this option. Before the sale begins a floor price is set for each animal, and this represents current market value. For example, a lamb is sold for \$2,000 at the auction and has a floor price of \$300. The support buyer will pay \$1,700 to support the exhibitor, and the floor buyer will pay the \$300 and take the animal.

Boost an Exhibitor

Anyone can add money to one or more exhibitors. Simply pickup a boost form from the extension office and list who you would like to boost and how much.

2023 Jr. Livestock Exhibitors

DARCY BRADSHAW

***Showing two species**

Parents:

Stacy & Millie Bradshaw

Age: 12

Grade This Fall: 7th Grade
