ENGLISH STATE HORSE SHOW SERVICE AT THE FAIRGROUNDS

Congratulations to Eden Springer and Maren Maynes for competing in the 2021 4-H Hunter Jumper State Show. They both did an amazing job in their divisions.

A Message From Our Staff

Dear Sanpete County 4-H Members, Parents and Leaders,

We have had an amazing competition season in Sanpete County 4-H this year!

Our youth have been challenging themselves in contests and events all over the county and the state. From the State 4-H Classic to the Small Animal Show, from the Sanpete County Junior Livestock Show to the State Fair, the youth have done amazing work and have represented Sanpete County well.

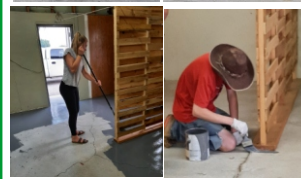

The success of the youth has been a direct result of many hours of dedication from the 4-H Volunteer Leaders in our county. We appreciate all of the leaders that work tirelessly to make sure that members are learning and growing in their project areas and are prepared for their contests. You all are fabulous.

The new 4-H year began on September 1st. If you haven't re-enrolled in the 4-H program, we encourage you to do so. This will ensure that we stay in contact with you and you will stay informed on the events going on in the county and state. We look forward to another great year.

Sincerely, Sanpete County Extension Faculty and Staff

4-H members used their "hands for larger service" at the fairgrounds in August. Members of the Birds and Bunnies Club cleaned out the Small Animal Barn in preparation for the fair. Clayton and Conner Lister of the Sanpete Buckaroos Club helped install wire panels at the livestock wash rack. And the Sanpete County 4-H Teen Council painted the floor in the Exhibit Building at the Fairgrounds. These projects were a great asset to the fairgrounds. We love seeing 4-Hers give back.

VOLUNTEER SPOTLIGHT

Brent and Vivian Sorenson have been leaders in the livestock program for about 8 years. They lead the Bar Arrow Club in Centerfield. They also serve as the Lamb Species Specialist for the Junior Livestock Committee. During the summer, they meet weekly with their club to practice showmanship and encourage them to do their best.

They have four children and have traveled all over the state with their son, Kort, showing all species of livestock.

Their favorite thing about 4-H is that it gives the kids a good learning experience, helps them become more responsible and better in life from start to finish.

We appreciate the Sorensons and the many years that they have dedicated to the Junior Livestock Program in our county.

Brent & Vivian Sorenson

YOUTH SPOTLIGHT

Christian Olsen

My Name is Christian Olsen. I am a current Utah 4-H State Ambassador. I am a Junior at Manti High School. My

favorite part of 4-H is going on retreats and working with new people. When I'm not doing 4-H, I'm probably doing something musical. I recently started learning guitar and enjoy working on that.
