**4-H Classic Contests:** 4-H is all about making your best even better. One way to do that is to participate in a 4-H contest. That's where you show and tell what you have learned in lots of different ways. Sometimes it involves a demonstration or speech, it can be selecting the best item out of a group or it can be a game answering a question after hitting a buzzer. Some contests are done as individuals and many are done as a team. All of these are contests at the 4-H Classic event in Springville/Spanish Fork, June 24 & 25. If you want to know more or put together a team, come to one the activities listed above or call Robyn (435-277-2402) or Tamra (435-277-2405) We'll get you started, see how far you go.

Learn about their physical make-up, their breeds, their training and more. Check out the 4-H contest opportunities that are all about horses but do not require you to own one to participate. One day of this camp will be at a farm with horses and you will have an encounter with live horses. This camp is July 22, 23 and 25 from 9-11 am each day. The cost is \$6.

## 4-H Art: Acrylic Painting and Mosaic Art Camp

Summer 4-H art this year includes 2 different mediums: acrylic painting and Mosaics. Acrylic Painting will explore color, complimentary colors, mixing color and how to create desired effects with paint. The cost is \$5. Regular 4-H (finished grades 3-12) is June 4 from 2-3:30 pm and Cloverbuds (K-2) are June 5 from 2-3 pm.

Mosaic is an old art form that has been popular since ancient times. Much of what we know about life those many years ago is from their mosaics. To create one you take tile or glass pieces and arrange them on a base. After they are glued to the base you work grout into the spaces between the pieces of color to create a smooth surface. Mosaic Art Camp is July 1-3 from 10 am-noon each day. It is only for 4-H youth who have finished grades 3-12. The cost is \$15

## State Sponsored 4-H Camps & Activities for Summer 2024

JYC or Junior Youth Conference: For youth who have just finished 5th & 6th grades. Held at Wasatch Academy in Mount Pleasant on June 10-12 . This event is non-stop fun and always a pleaser.

i4-H: Exclusive for youth who have just finished 7th & 8th grades. June 10-12 also at Wasatch Academy. Adventure and more awaits the participant. Simultaneous but separate event from JYC. Don't get left behind, register.

Teen Summit: High school youth, including those who have just finished 8th grade, will enjoy this event held July 8-10 on the USU campus in Logan. Leadership is the focus but fun is the style. You don't want to miss out on this event.

## Self Defense Camp for 6th grade and up

Have you ever found yourself in a difficult situation and were unsure of how to get out of it safely? This activity could help you learn how to diffuse such a moment. Self defense is more than knowing how to fight. It's making choices that keep you out of the problem in the first place by being observant and know what to say and how to say it before things get out of control. There is a day just for boys (June 13 and a day just for girls (June 14). Both are from 10-noon. You must have finished 6th grade to do this activity.

## Drop into the 4-H office and pick up your 4-H T-Shirt
