

## Southern Region Ambassadors

Christi Nicholls

4-H Program Coordinator

We are currently accepting applications for Southern Region Ambassadors. What is a Southern Region Ambassador? A Region Ambassador is an officer leadership training program. This team builds upon leadership skills youth have already developed, transforming them into officers for county or even state level positions. Within Region Ambassadors we promote a culture where youth and adults work together to develop and apply leadership skills. Participation in the program will facilitate individual growth, positive social experiences, and meaningful service opportunities. This is a fun, interactive program where youth will polish their skills and prepare for the next level of leadership experience.

**Mission Statement:** The Region Ambassador program empowers youth to develop leadership and social skills, provide them with the tools needed to act and make a difference now, to become a role model for positive change in their communities, and engage and mentor young 4-Hers on a regional level.

**Purpose and Role:**
