## FALL 2023

We have just wrapped up a busy 4-H summer filled with camps, contests, retreats, and projects. The 4-H Youth in Sanpete County have devoted hundreds of hours to their projects and their efforts have paid off. We are proud of the 4-H Members in the county.

## JUNIOR LIVESTOCK PROGRAM

Over 70 youth exhibited their livestock projects at the Sanpete County Fair. They spent 3 full days competing in showmanship, market classes and selling their project animals.

## OUTDOOR REC CLUB

The Outdoor Rec Club spent three days at Mill Meadow Reservoir at their long-term campout. They kayaked, fished, camped and played night games. They made giant slingshots and competed in a distance competition.

## STARS OF OUR 4-H PROGRAM

4-H Members entered a record-breaking 1671 exhibiting into the county fair exhibit building.

# SPORTSMANSHIP AWARD WINNERS

Tayzlee Beesley was voted as the 2023 Sportsman for the Horse Program.

Crystal Holyoak was voted as the 2023 Sportsman for the Junior Livestock.

# SUMMER MINI CAMPS

# WESTERN HERITAGE PROJECT

The Western Heritage Project members were able to compete in the National Shoot held in Price. All members received state awards and many placed in the National Standings. Thanks to a grant from the NRA Foundation, the Western Heritage Project continues to grow in Sanpete County and around the state.

Sanpete County 4-H held a series of six mini camps ranging from Cooking to Forests and Fairies. Youth were able to participate in hands-on activities, creative crafts and cool STEM activities. The Mini Camp Series was made possible by our Summer Intern, Sarah Everitt. We appreciate all of her hard work.
