"Utah State University is an affirmative action/equal opportunity institution."

MASTER GARDENER PROGRAM APPLICATION

The Master Gardener program consists of approximately forty hours of horticulture instruction, and forty hours of community service. Instruction includes a comprehensive look at horticulture subjects including basic botany, soils, fertilizers, fruits, vegetables, insects, turf grasses, pesticides, house plants, ornamentals, diseases and related topics. Community service includes volunteering on a variety of horticulture programs sponsored by USU Cache County Extension including 4-H, county fair judging, landscape tours, community gardens and other fun activities. Those wanting to participate will have fun experiences with others of similar interest.
