- Citizenship and Civic Education
- Communication and Expressive Arts
- Consumer and Family Sciences
- Environmental Education and Earth Science
- Healthy Lifestyles Education
- Personal Development and Leadership
- Plants and Animals
- Science and Technology

COMMITMENT TO EXCELLENCE

- I believe that participation in the Cache County 4-H program should demonstrate my own knowledge, ability and skill.
- I will do my own work to the full extent I am capable and otherwise will only accept instruction, advice and support from others.
- I will not use abusive, fraudulent, illegal, deceptive, or questionable practices in my project, nor will I allow my parents, my supervisor, or any other individual to employ such practices with my project.
- I will read, understand, and follow the guidelines without exception, of all projects in which I am a participant and ask that my parents and the supervisor of my project do the same.
- I wish for my project to be an example of how to accept what life has to offer, both good and bad, and how to live with the outcome.
- I realize that I am responsible for the completion of my project, demonstrate respect for leaders and other club members, and demonstrate strong moral character as an example to others.
- I will do my part to make my participation in this project an enjoyable and positive experience for myself, my family, my club and my community.
