Tennessee Corn Pone Serves 10-12

4 cups canned or cooked beans (pinto or kidney)
 2 cups cornmeal
 2 Tsp. baking soda
 1 Tsp. salt
 1 quart buttermilk
 2 eggs, slightly beaten
 1/4 cup margarine

Preheat oven to 450°. Heat beans until quite hot and pour into a lightly greased 9"x13" baking dish. Mix the cornmeal, baking soda, and salt in a large bowl. Melt the margarine and combine with buttermilk and eggs. Stir the wet and dry ingredients together until smooth and pour them over the hot beans. Bake on the top rack of your oven until bread is a rich golden color and the sides of the corn bread pull away from the sides of the pan. This takes about 30 minutes.
