

Dinner To The Rescue!!

Teresa C. Hunsaker, USU Extension Educator

When time is short, keep a list of ideas similar to these handy to help you "throw" a meal together.

1. **Breakfast for Dinner:** Omelets of all combos and kinds, crepes, pancakes, waffles, German pancakes, hash browns, scrambled eggs, frittata, etc.
2. **Quick Burritos:** Spread flour tortillas with heated canned refried beans, add some chopped leftover chicken or other meat, lettuce, sour cream, drained diced canned tomatoes, grated cheese, salsa, roll up.
3. **Baked Tortellini:** Place ready to eat tortellini in a lightly greased casserole dish. Pour spaghetti sauce over the top, add a few sliced olives, pepperoni slices, and drained bottled mushrooms. Top with mozzarella cheese. Bake or microwave until bubbly throughout.
4. **Pizza Pork Chops:** Pan fry pork chops in spray coated skillet. Add spaghetti sauce toward the end of cooking time. Top with low fat mozzarella cheese; cover and simmer in skillet until cheese is melted.
5. **Creamy Chicken Noodles:** Cook 2 packages chicken ramen noodles in a saucepan or skillet according to directions. Add seasoning packets. Drain off half the liquid when noodles are done. Stir in soup and milk. Add chicken and broccoli; heat through.
6. **Southwest Grilled Chicken:** Pound out to ½ inch thick your chicken breasts. Brush lightly with oil and sprinkle with ground cumin. Broil or grill until juices run clear. Spoon your favorite salsa mixed with sour cream over the top of the chicken. Top with fresh chopped cilantro.
7. **Baked Potato Meal:** Microwave a potato. Slit and fluff potato then top with all kinds of quick steamed vegetables, grated cheese, chopped green onion, chopped ham, and drizzle with Ranch Salad Dressing.
8. **Burritos Enchilada Style:** Place frozen burritos in a casserole dish. Pour a can of enchilada sauce over the burritos, layer with cheese, and bake approximately 45 minutes. Could also mix one can cream of chicken soup and sour cream with a can of diced green chilies as the sauce, instead of enchilada sauce.
9. **Open Faced Broiled Sandwich:** Chopped leftover roast beef or chicken. Add mayo, onions, green pepper, celery, etc. Spread on favorite bun and top with grated cheese. Broil.
10. **Dilly Meatballs:** In a saucepan combine 1 can cream of celery soup, 2 tablespoons Worcestershire sauce, ½ teaspoon dried dill weed, and ½ cup sour cream. Heat until bubbly and stir in meat balls until they are hot throughout. Serve over rice or noodles.
11. **Soup-Noodles:** Prepare broccoli-cheddar cheese dehydrated soup using half of the water recommended. Add noodles and cook until tender. *Variation:* Cook noodles; warm main dish canned soup (sirloin, clam chowder). Pour onto noodles. These makes great main dishes.
12. **Black Bean Quesadilla:** Drain one can black beans; lightly mash. Add ½ cup salsa; spread on tortilla. Sprinkle with cheese; broil.
