

Thank you for your partnership and allowing Create Better Health (SNAP-Ed) to teach your students. Your willingness to provide the time and space to teach is invaluable to our program and our goal of helping kids live healthy and active lives.

In order to provide the best support and education for your students, we ask that you complete this short survey. The information gathered will help determine what we are doing well, what needs improvement, and if any changes need to be made. Your honest feedback is important, and greatly appreciated!

Please select your level of agreement with each statement about the ambassador (educator) and class presentation:
