

Robotics Club

Every Tuesday in January and February, 2012 from 3:30-4:30 pm

Juab County Center, Cultural Hall

Cost: \$7 (\$5 for current 4-H members)

Space is limited. Register at the Extension office, 623-3450, 160 N. Main, Nephi

Participants (3rd-12th grade) learn how to build robots and attachments (Lego Mindstorm & Wedo kits) using simple step-by-step instructions, and create a computer program that will instruct their robot to complete assigned challenges.
