**FEATHER ROLLS**

8 cups whole wheat flour  
1-2 cups white flour  
2-3 Tbsp. dry yeast  
1 cup nonfat dry milk powder  
3 cups warm water  
⅔ cup oil  
⅓ cup honey or sugar  
4 large eggs or 8 egg whites  
2 tsp. salt

Mix 5 cups flour, dry yeast, and nonfat dry milk in large mixer bowl. Add water, oil, and honey or sugar. Mix well 1 to 2 minutes. Turn off mixer, cover and let dough “sponge” for 10 minutes. Add eggs and salt. Turn on mixer. Add remaining flour, 1 cup at a time, until dough begins to clean the sides of the bowl. Knead for 5 to 6 minutes. Dough should be very soft and manageable. Stiff dough produces heavy, dry rolls. If dough stiffens while mixing, drizzle a little warm water over dough as it kneads. Dough may be used immediately or covered and stored in the refrigerator for several days. Lightly oil hands and counter top if needed. Shape
immediately into rolls. Let rise until very light. Don’t over bake. Bake at 350 degrees for 18 to 20 minutes. Yield: 5 dozen large rolls.

1/3 cup olive or vegetable oil ½ tsp. salt

2 egg whites or egg substitute equivalent to 1 ¼ cup skim milk
egg

Whisk together first four ingredients. Stir in remaining ingredients until thoroughly mixed. Chill dough at least 1 hour. Roll out on floured surface to 1/8th inch thick. Cut with cookie cutters. Place on non-fat cooking sprayed cooking sheet and bake at 375 degrees 10-12 minutes or until lightly browned. Frost with powered sugar with milk stirred in until desired consistency and colored sugars or other decorations of choice.

Number of cookies depends on the size of cookie cutters used, as does the amounts in the nutrition analysis.
