4HOnline

4HOnline Club Manager - user guide for club leaders

Created: June 9, 2011
Updated: November 14, 2011

OVERVIEW AND INITIAL ACCESS

4HOnline offers two levels of access to adults. First, all adult family members have access to their family’s enrollment data. Secondly, for those adults with club leader responsibilities, it is possible to grant “Club Manager” access, which provides access to club level data.

To access 4HOnline as a Club Manager, you must:

- Be enrolled as a family in 4HOnline.
- Know the family email address used to enroll in 4HOnline.
- Know (or request from 4HOnline) your family login password.
- Be granted Club Manager access
- Be provided with the club password by Extension staff.

To log on to 4HOnline:

1. Go to http://ut.4honline.com (notice that there is no “www” in that address).
2. Enter your email address and password.

If you are not yet enrolled in 4HOnline, instructions for enrolling as a new family are available at www.ut.4honline.com or contact your local Extension staff.
Once granted Club Manager access, you will see the [Club Manager] toolbar after you login to 4HOnline:

- Clicking on [Continue to Family] will bring you to your regular data access screens.
- Under [Club Leader Login], choose your name under [Select a profile], then your club.
- The club [Password] will be provided by your Extension staff.

After clicking on [Login to Club], you will see the Club Manager dashboard, and by default, you will be looking at the [Confirm Members] screen.

**Note that “Members” refers to family members, who may be Youth or Adult “Members”.

**Confirm Members**

[Confirm Members] lists all pending youth and adult members for your club. In other words, these are people who have applied online, but have not yet been approved by Extension staff. As a Club Manager, you may be interested in following up with these families in some way.

In addition to allowing you to review their submitted enrollment data, this screen allows you to “Confirm” their enrollment, but their enrollment must still be ultimately accepted (confirmed) by Extension staff.
Members

[Members] gives you access to a listing of your club members, where you can access each individual member (both youth and adult members). Clicking on the [Edit] button next to each listed member will then display the details of their enrollment (you won’t actually be able to edit their enrollment data).

- To return from viewing a member’s details, either click the [Close] button at the bottom of the screen, or click on one of the dashboard icons (Members, Search, etc.).
- Clicking on [Return to the Family Account] will log you out of your Club Manager access.

Search

[Search] allows you to search for or apply various filters to a listings of your club members. This can be helpful when looking for a specific member (or group of members) and it also the quickest way to use the [Quick Exports] option (info below) to print a list of the listed members.

- In the [Keyword…] field, you can search by any field (phone number, e-mail, name, etc.) but it is a “literal” search. If you enter “john”, you’ll get John Smith and Sally Johnson and Dwight Marks who lives at 2345 Johns Road SE, but NOT Jon Allen.
- You can also use any of the checkbox “groups” to filter the displayed results.
- If you do not select any of the checkboxes in a group (as indicated by the red boxes in the screenshot) 4HOnline will not apply any filter, and the listing of members (youth and adult) will include members with any of that particular criteria.
- Searches are remembered from your previous session, so if you are not seeing the expected listing, check the search/filter settings. To list all members, leave the [Keyword] field blank and do not check ANY checkboxes, then click [Search]
- Click on [Quick Exports] menu to print a simple contact list for the club members currently being displayed.
Reports

[Reports] is where you can create and print reports for your club members.

There are five report “directories” (tabs on the left side of the screen): (Standard, Memorized, Custom, Shared, and Trash) but you will only find reports under [Standard] and [Shared].

- [Standard] reports are system generated reports. Several of these reports will be helpful, including the [Club - Directory (Primary Club)] report.

- Under [Shared] reports are several reports designed just for club leaders. If additional reports are needed (or modifications are needed on the reports), please send an email to fourh@umn.edu.

To run/access a report:
- Right click on the desired report
  - [Run] will simply display the report and provide an option to print it
  - [Family Labels] will generate one label per family for the individuals listed in the report.
  - [Member Labels] will generate one label per member (youth or adult) for the individuals listed in the report.
  - [Export to Excel] generates an Excel sheet that can be manipulated as needed
  - [Export to PDF] generates a PDF that can be saved and/or emailed

Depending on your browser choice and computer configuration, you may need to allow popups or change your browsers security settings to view the reports.

Emailing club members from within 4HOnline is not yet possible, but is being developed. In the meantime, the best option is to run the Contact Information report. Then either manually copy the email addresses or export the Contact Information report to Excel and Windows “copy” the email addresses for use in your email client.

OVERVIEW AND INITIAL ACCESS

4HOnline offers two levels of access to adults. First, all adult family members have access to their family’s enrollment data. Secondly, for those adults with designated leader roles, it is possible to grant “Club Manager” or “Project Leader” access, which provides greater access to member enrollment data.

To access 4HOnline as a Project Leader, you must:

- Be enrolled as a screened adult volunteer in 4HOnline.
- Know the family email address used to enroll in 4HOnline.
- Know (or request from 4HOnline) your family login password.
- Be granted Project Leader access by Extension staff.
- Be provided with the project password by Extension staff.

To log on to 4HOnline:

1. Go to http://ut.4honline.com (notice that there is no “www” in that address).
2. Enter your email address and password.

If you are not yet enrolled in 4HOnline, instructions for enrolling as a new family are available at Family Enrollment Get Started Guide or contact your local Extension staff by going to your county 4-H office.
Once granted Club Manager access, you will see the [Project Leader Login] toolbar whenever you log in to 4HOnline:

- Clicking on [Continue to Family] will bring you to your regular data access screens.
- To log in as a Project Leader, choose your name under [Select a profile], then select a project from the second dropdown.
- Enter the project [Password], which will be provided by your Extension staff.

After clicking on [Login to Project], you will see a list of members enrolled in this project.

- To print reports or mailing labels, click on the [Quick Reports]

Additional reporting capabilities are being developed and will appear on this screen over time. Check for updates on www.ut.4honline.com

"Utah State University is an affirmative action/equal opportunity institution."
Adding Club Leaders

Log into 4-H online as a county manager.

1. Click on the Clubs Icon.

A list of your clubs appears.

2. Click on the Edit button for the Club where you want to add the Club Leader.
4. Check the Allow Login box next to the volunteer Club Leader. Leaders with this login privilege can review member profiles for their Club. They cannot edit or change members’ profiles. The volunteer list comes from your county members’ profiles when they added themselves as a club member and also selected a club leadership role.

5. Enter New Password and Confirm New Password

6. Press the Save Button

After the leader is approved when he/she logs in to ut4honline the Leader Login appears on their “Home” page. They Login to Club from this screen. The password is the Club password created in Step 5.
After they “Login to Club” the Club’s dashboard appears. The Club Leader can search for club members, confirm club members, list club members, and run reports for their club.
