

### 2008 Master Gardner Application

The 2008 Sevier County Master Gardener training will consist of 17 weeks of training January 9th through April 30th. Trainings will be held on Wednesday nights from 6:00 – 8:30 pm in the USU Extension Conference Room at 250 North Main in Richfield. Master Gardener certification requires 40 hours of instruction and 40 hours of approved community service. Cost for the training (including textbook and supplemental materials) is \$60. Note: A free soil test will be given to all those that register before January 9th. Registration and payment is due on January 9th payable to USU Extension. Couples or other individuals may share a textbook and save \$40. Former Master Gardeners may attend free (space permitting), but will be requested to complete service hours. The class may also be available via Internet (ask for details).

Please indicate your interest and return to David Drake at the USU Extension Office, 250 North Main, Richfield, UT 84701 by January 9th. For Questions: Call 893-0470.

\_\_\_\_ I will attend all trainings and complete the service hours within one year of completion of the trainings to become a certified Master Gardener. Please indicate service areas of interest on reverse.

\_\_\_\_ I would like to attend some or all of the trainings (space permitting) but do not want to commit to completing a Master Gardener certification.

\_\_\_\_ I am a Master Gardener or have previously taken the training and would like to attend or assist with the trainings and service hours. Please include location and date of your Master Gardener Certification:

Name \_\_\_\_\_

Address: \_\_\_\_\_ City \_\_\_\_\_ Zip \_\_\_\_\_

Email Address: \_\_\_\_\_

Daytime Phone: \_\_\_\_\_ Evening Phone: \_\_\_\_\_

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

#### Special Needs Request

\_\_\_\_ For any special arrangements including dietary, physical accesses, or other accommodation requests, check here and Utah State University Extension will contact you. Fifteen working days are needed to facilitate special needs requests.

Utah State University is an Affirmative Action/Equal Opportunity institution

Service areas of interest: (please check all that apply)

Planting and maintenance of a small community demonstration or flower garden

Work with teachers and children on plant projects (school enrichment, 4-H after school, Jr. Master Gardener, etc.)

Help operate the Sevier County Farmer's market and Master Gardener information booth

Share the Harvest, assist food bank with program in using garden produce.

Teach gardening techniques to community garden groups and other public

Answer yard and gardening questions for county residents as referred by USU Extension

For questions Contact David Drake, USU Extension, at 893-0470

**Notice: Space is still available so come and bring a friend**

All previous Master Gardeners are welcome to attend all sessions at no cost. Service hours may be requested. If we have a guest speaker invite a friend we want to have a crowd.

Larry Sagers, USU Extension and KSL radio personality will be presenting sometime this season.

Check our Extension web site for updated schedule information.
