Adventure Camp

4-H High ADVENTURE CAMP

Adventure Camp, located at Camp Williams, is an exciting event specifically prepared for those youth that have just completed 7th and 8th grade. It's a three-day, two-night experience teaching life skills, friendship, leadership, teamwork, and more!

Activities include a learning response course, ropes course, dutch oven cooking, and outdoor education. Youth are also introduced to the GPS program. With the knowledge gained through this program, youth are sent on a scavenger hunt where they will use the skills and knowledge they have obtained from the camp.

Many lasting friendships are sure to be made at Adventure Camp. These are the friendships that go with them through their entire 4-H experience. Applications are due at the 4-H office May 11th, before 5:00 P.M.

JYC

Junior Youth Conference

On the Snow College campus in Ephraim, 4-H presents its camp for youth who have completed 5th or 6th grade. Junior Youth Conference will be held June 29th—July 1st. The lessons learned and the friends made there last a lifetime.

Applications are due at the 4-H office May 26th, before 5:00 P.M.

4-H & ReAL

4-H Day with ReAL Salt Lake

Utah 4-H and ReAL Salt Lake are partnering to support Utah's youth and their families. All youth grades 6-12 are invited to come and learn through hands-on activities. Parents and siblings join up later for family fun watching the game!

Robotics

Utah 4-H Robotics

Are you looking to explore the world of robots? The 4-H robotics program is one of the new and exciting 4-H experiences for youth that provides hands-on experiences in designing, programming and building robots using the Lego MindStorms Robotics kits (RCX Version) and RoboLab software. Uintah County Extension 4-H offers robotics camp July 8-10. Sign up early; space is limited. Anyone in grades 8th—12th who enjoy computers and who would like to help with this camp, please call the 4-H office.

2009 Horse Show Dates

All horse shows will be held at the Western Park. If you are not involved in a horse club and are interested in participating in these shows, please contact the 4-H office for more information.

Dates are:

- ◆ May 16
- ◆ June 12 Royalty
- ◆ June 13
- ◆ July 18
- ◆ August 20 & 21

Portfolios are required to qualify for state. Portfolios are to be submitted at the July 18th Horse Show. All sections need to be up-to-date.

CLUB ENROLLMENT

It is time to turn in your club enrollment form. Youth cannot compete in horse shows or livestock shows without being enrolled in the corresponding project. If you have not turned in your enrollment yet, please do so as soon as possible. Clubs involved with other project areas need to submit enrollment forms by the end of June to continue on the mailing list for the 2009 year.

State Contest

State Contests, held yearly on Utah State University's campus, is a collection of youth in grades 9 – 12 whose talents have earned them the privilege of competing against each other for the title of being a state champion, often leading them to national competitions.

State Contests offer most topics available in county 4-H clubs and gives youth a reason to excel in the skills 4-H has taught them. Competing on the state level means that the youth have already won competitions on the county level. Contests range from Fashion Revue, Shooting Sports, Livestock Competitions, and Technology-related fields such as GPS and Video Production.

Winners of the state competitions usually have a choice of a savings bond or State Contests winner jacket. Certain competitions will sometimes have other prizes such as a serger, given every year to the winner of Fashion Revue. Many then allow the youth to compete in a National Competition.

State Contests is not just a friendly competition, but also a very social atmosphere. On the last evening of State Contests there is a dance that is followed by a late night party for everyone to relax and get to know each other after all the competitions!
