

## Mountains Wildlife Field Book Addendum

The electronic edition of this field book was revised in 2014 to include edits to the following species.

5. Mountain chickadee- photo replaced to show a more accurate setting
6. Cassin's finch- Scientific name updated
7. Dark-eyed junco- photo replaced to show the more common gray-headed subspecies
23. Golden eagle- photo showed an incorrect species and was changed
30. Yellow-bellied marmot- Photo was incorrect and subsequently changed
32. Wolverine- updated with 2014 sighting information
33. Canada lynx- updated with sighting information

Other minor edits to the text were made.
