2010 VENDOR INFORMATION

Thank you for your interest in participating as a vendor at the **2010 Utah Water Users Workshop** to be held **March 15-17, 2010**, in St. George, Utah. Last year there were over 650 registrants from a wide spectrum of professional and private interests in Utah. They represented boards of directors from irrigation companies, city water managers, consulting firms, representatives from Central Utah, Weber Basin, Washington County and other water conservancy districts, State of Utah Divisions of Water Resources, and Water Rights, U.S. Bureau of Reclamation, USDA Natural Resources Conservation, and State of Utah Department of Environmental Quality, and Agriculture and Food.

There are two categories of Vendor Registration:

- | | |
|---------------------------------------|-------|
| 1. Commercial | \$450 |
| 2. Government and Non-Profit Agencies | \$250 |

Through your participation as a vendor, \$50 of your registration fee will go directly to the Utah Water Users Association Scholarship Fund. This scholarship fund supports qualified students pursuing water resource related careers at any Utah university.

Space is available on a first-paid-first-assigned basis. The vendor fee includes one workshop registration (without a banquet ticket), a 10 foot by 10 foot display area, and a six foot long table. Wireless internet will be available on-site throughout the facility. If you require a wired connection and/or any other utilities, such as electrical outlets and phone lines, they are available at an additional cost. Please contact the Dixie Center directly at (435) 628-7003 to arrange for those items. Banquet tickets are also available for \$30 per person if purchased prior to February 12, and for \$40 per person if purchased after that date, but before March 5.

If you are interested in providing a vendor display for this workshop, please register online through the link provided at <http://extension.usu.edu/uwuw/>. Please also complete the *Vendor Requirements Form* and return it directly to:

Utah Water Users Workshop
Attn: Rebeca V. Olsen
4105 Old Main Hill
Logan, UT 84322-4105

When we have received confirmation of the online registration and the completed form, you will be assigned a booth and notified of your booth location. Display booths may be set up on **Monday, March 15, 2010 from 2:00 to 7:00 p.m.**

We hope you will take advantage of this opportunity, and look forward seeing you in St. George. If you have any further questions regarding this event, please contact Rebeca V. Olsen at (435) 797-2802.

Sincerely,

Robert W. Hill
Chair, Program Planning Committee
