Utah Saves is a statewide coalition of nonprofits, financial institutions, credit-counseling organizations, employers, government agencies, faith-based groups and others. The mission of Utah Saves is to build long-term economic stability and prevent poverty by helping all Utahans build wealth, reduce debt and create lifelong financial security. It is part of a national campaign called America Saves.

There are no fees or costs to be a Utah Saver, there is no access to, or information regarding, your personal accounts and there is no obligation once signed up. It is merely a social campaign to encourage and promote increased savings. You will receive, from time to time, a newsletter, notification of classes in your area and possibly a call or two from a volunteer to encourage your progress.
