 Mountain Phlox = Phlox subulata
 Jacob's Ladder = Polemonium cearuleum
 Rosemary = Rosmarinus officinalis
 Tulip = Tulipa hybrid
 Creeping Veronica = Veronica umbrosa
 Grape Vine = Vitis sp
 Hummingbird Flower = Zauschneria (Epilobium canum)

Note: Some of these perennials may require more shade because of the hot, dry summers and the intensity of the sun.

This list is not nearly a complete list of all the perennials that can possibly be grown in the sun. Please check with your local nursery grower for additional and unique perennials.

Different perennials have different water requirements, check with your local nursery grower for specific water requirements of each plant you have selected.
