

PARENTING THE LOVE AND LOGIC WAY

This FREE course uses the Parenting the Love and Logic Way® curriculum and teaches parents how to raise responsible kids and enjoy parenting. Participants will learn how to end power struggles with their children, teach responsibility, and prevent arguments. This course will help participants answer questions like:

- Is it possible to parent without getting angry?
- How do I enforce limits?
- What are natural or logical consequences?
- Can parenting be less stressful?

Lunch will be provided, resources, and a family gift basket for all participants. Registration required.

Must be 18 or older to attend. No childcare provided.
