

# USU BOTANICAL CENTER

# Classes & Events

Botanical Center  
UtahStateUniversity.

## Seasonal Walk with the Director

March 30 | 6 PM | Free

Bulbs & Blooms: Join USUBC Director, Jerry Goodspeed, to explore and learn about early spring blooms. We will walk through the trees, perennials, and of course, the bulbs, and talk about their care and growth habits.

## Temple Square Greenhouse Tour (Members Event)

April 12 | 9 AM | Free

USU Garden Members are invited to attend a behind-the-scenes tour of the Temple Square Greenhouse in Salt Lake City with the greenhouse manager as our guide.

## Walk & Talk: Irrigation Basics

April 19 | 6 PM

Efficient irrigation that incorporates water conservation is a key component to a beautiful and healthy landscape in Utah. This class covers the basic information needed to install a drip irrigation system as well as convert an existing system to drip irrigation.

## Walk & Talk: Vegetable Gardening in Utah

May 3 | 6 PM

Want to improve your yields or grow new and exciting vegetables? This class will cover vegetable production in Utah including variety selection, the timing of planting, succession planting, fertility, and methods to improve yield.

## Paint & Sip in the Garden (Members Event)

May 24 | 6 PM

Members are invited to enjoy refreshing summer sips while painting in the garden. This unique watercolor painting class is perfect for both beginners and more advanced artists alike. All art supplies are included, and everyone leaves with a completed painting.

## Quilts & Quartets

June 7 | 6 PM | Free

A free, public celebration of quilts and string quartets nestled among the trees and shrubs of the Varga Arboretum.

## Walk & Talk: Birds in the Garden

June 14 | 6 PM

Birds are an important part of Utah ecosystems and can bring much enjoyment to the garden. Join in a walk around the USU Botanical Center to learn about ways to support and attract birds to your landscape.
