BOX ELDER COUNTY 4-H

BEYOND READY
Livestock Education Series
2026-2027

This series is designed to help youth build confidence, develop practical skills, and deepen their understanding of animal agriculture. They provide valuable year round opportunities to learn from experienced industry leaders, improve livestock knowledge, and gain hands-on experience that extends far beyond the show ring. *Some events may have limited space and sign up deadlines.

USU Extension's role in the Junior Livestock program is to provide educational opportunities. The Board of Directors for The Junior Livestock of Box Elder may have additional requirements for the county show and auction. Please visit their website for this information.

Great Club Activity: Mark You Calendars

October 29th

CARCASS CONTEST EDUCATION AND AWARDS NIGHT

Learn not only how your animal placed in the carcass contest but also what makes a market animal carcass desirable in the consumer world. Awards available for each species.

January 25th
