Extension Utah State University
4-H inspires the next generation of leaders, inventors, entrepreneurs, and problem solvers. We are the nation’s largest Positive Youth Development Program and offer a wide variety of programs, projects, contests and events from livestock to sewing, and leadership to robotics. Each county in Utah has an Extension 4-H Program supported by Utah State University and county officials. Budgets, employee hours, meeting space and resources vary per county but the goal of the Extension 4-H program is the same; to make the best better!
4-H PLEDGE

I pledge my **HEAD** to clearer thinking, my **HEART** to greater loyalty, my **HANDS** to larger service, and my **HEALTH** to better living, for my club, my community, my country, and my world.

4-H CLUB CHARTER

The 4-H Club Charter is a 2 paged form that is turned in to the 4-H office each 4-H year for every club.

The 4-H Club Charter accomplishes the following:

- Helps the 4-H office be aware of active 4-H clubs, their expectations and rules, and keep in touch with the club leader.
- Keeps contact information accurate and allows for updating of the club details.
- Reminds club leaders of expected characteristics of a club, such as:
  - All adult leaders are approved volunteers
  - clubs have at least 5 youth
  - clubs are made up of youth from 3 different families or more
  - club meets at least 6 times a year
  - club promotes youth leaders/officers
  - to use 4-H emblems correctly
  - to follow 4-H and USU policies and procedures
- Expands the project focus areas a club can select (no maximum!)

Download the club charter form
The 4-H Portfolio is a long lasting tradition of record keeping that highlights 4-H members' progress throughout their years. In the past, this has looked like large binder with pages of hours recorded, money spent, skills gained and challenges overcome while working on 4-H projects or with animals.

This has been updated to a simple cover letter and resume format to help the youth select the highlighting parts of their 4-H experience and gain practice in a skill all use in college and career experiences as they age. 4-H leadership applications, contests, and showmanship will require a portfolio.

RESUMES

The resume should represent a cumulative summary of the 4-H members background, skills, and accomplishments. The 4-H member should summarize their 4-H experience by highlighting their project involvement, activities, awards/recognitions, leadership experiences, and community service. Each year, applicants will need to update their information, maintaining the most pertinent information over time.

COVER LETTERS

The cover letter should be a narrative to accompany the resume. The cover letter should be tailored to the requirements of the application or contest. Maximum 1 page.

As a club leader, it is important to work with your club members in learning about portfolios and writing drafts throughout the year.

For help in doing this, check out the Utah 4-H website or watch the Portfolio Training video.

Am I a registered 4-H volunteer or 4-H youth?

Is my club listed on 4h.zsuite.org? If not, have I turned in a club charter form to the county 4-H office?

Do I have five or more youth from three different families wanting to participate in my club? If not, the 4-H office can help promote your club.

Do I have other adult leader help? If not, ask the 4-H office for trainings to encourage adult participation in your club.

Do I know what topics I want to explore? Do I already have the knowledge or the contacts to teach those topics? If not, check the Club Leader Resources page.

Do I have a schedule as to when and where my club will meet? Do club members need to pay a club fee to participate in my club? If there are questions or concerns, reach out to a 4-H coordinator.

Do I know of upcoming events that my club members can prepare for?

Do I have a way to contact club members easily?

Do I want or need 4-H emblems, patches, clothing, gear for my club members?
Resources are always updating and improving. Please check with a 4-H coordinator to ensure your options are current.
