RODEO ENTERTAINMENT

RIDER KIESNER

In the early days of rodeo, trick roping was held as a competition at most of the biggest rodeos in the nation. In that spirit, Rider competes at the nation's largest competitions for trick roping and gun spinning.

EHCAPA RIDERS

Join young, talented riders as they take the audience on a breathtaking journey through maneuvers and jumps that few experienced riders can handle.... All without the aid of saddles or bridles. The EhCapa Riders, ages 8-19, develop a unique relationship with their horses based on sound horsemanship principles.

Rules and Regulations

1. **Age:** To be eligible to participate in the Cache County Junior Livestock Show and Sale exhibitors must be in the third grade but not less than 8 years of age as of October 1 of the current 4-H year and can show through the same season as their high school graduation but not past age 19. Exception: Disabled persons as defined by Public Law 98-527. In these special cases the animals must still be the project animals of the exhibitor and be cared for daily by the disabled person.
2. **Group Affiliation:** An exhibitor may participate in the Cache County Junior Livestock Show and Sale only as a 4-H or FFA member but not both. Exhibitors must declare one or the other at time of entry and applicable membership fees. FFA participants must complete all record keeping requirements set by his/her chapter advisory. 4-H youth must submit a completed 4-H livestock record book.
3. Anyone who is married is ineligible to participate in the Livestock Show and Sale.
4. **Ownership of animals:** The exhibitor will own, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and commercial dairy heifers, and 60 consecutive days for market swine and market lambs immediately prior to the show they intend to go to. No interruption of ownership can occur. The livestock project animals must be located in the same county as the exhibitor during the required ownership period.
5. Tag-in dates will be set by division Chairs to comply with ownership requirements. Exhibitors can tag-in two animals of each species, exhibit only two animals (any combination) at the fair and sell only one animal.
6. Exhibitors must present their animal(s) at the designated times for entry into the Cache County Fair shows. Animals not presented at the entry times will not be allowed to show or sell.

7. **Dress Code:** 4-H -A long or short sleeve shirt which fastens down the front with a collar is mandatory. Shirts must be white or predominately white in color and need not be Western style. The following will not be allowed: T-shirts, tank tops, tube tops, or sleeveless shirts. There is to be a 4-H emblem or patch on all 4-H members' shirts. FFA -Either a white shirt, tie, and FFA jacket or a white shirt with the FFA emblem and tie (No T-shirts). Exhibitors who fail to abide by dress standards will forfeit premium money.
8. **Fitting on show grounds:** The fitting of animal will take place in areas designated by the Livestock Show Committee. Parents, guardians, siblings, club leaders, Extension/4-H Agents, and FFA Advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.
9. **Market Animal Weights:** All market animals will be weighed only once at the appointed weigh-in times. Lambs, and beef not meeting the minimum weight limits will be judged in light weight classes and premiums will be paid. However these animals are not eligible for sale through the livestock auction or to the floor buyer. There will be no classes for light or heavy weight hogs.
 - Beef: 1,100 - 1,275 lbs. (1100 pounds minimum, suggested weight range)
 - Sheep: 100 - 130 lbs. (100 pounds minimum, suggested weight range)
 - Swine: 230 - 330 lbs. (minimum and maximum weights required)
 - Goats: 50-120 lbs. (50 lbs. minimum)
10. There are no upper weight limits at the show except for swine, but minimum weights will be in effect. Exhibitors should understand that the market system penalizes animals under and over ideal market weights through lower prices. Exhibitors whose animals are sifted may still participate in fitting and showing classes.

11. 4-H and FFA exhibitors may exhibit **two** market animals, any combination. *Exhibitors can have two animals judged and placed; however, **only one animal can be sold** through the auction. The sale animal must be designated by the exhibitor by noon on the day prior to the sale or the show committee will choose the highest placing exhibit animal for the sale.
12. Grand Champion and Reserve Grand Champion animals must be sold through the Junior Livestock Sale and must go to slaughter. They cannot be withdrawn from the sale. If an exhibitor wins Grand or Reserve Champion with two animals they may sell both animals.
13. Grand Champion and Reserve Grand Champion will be drug tested.
14. Commercial dairy heifers must be confirmed a minimum of five (5) months pregnant at fair time to be exhibited in the market show and sale. Heifer must be Bangs vaccinated and have a legible tattoo, a negative TB test and are subject to other health requirements set by the Utah Department of Agriculture and Food.
15. Sales Fee: A four percent sales fee will be charged on all market animals sold. Proceeds will be used for sale promotion and expenses directly related to the Junior Livestock program. An additional \$5.00 per head of exhibited animals sold may be assessed each year for livestock pens and facilities.
16. Change of Ownership: Once an animal has gone through the sale, regardless of buyback or no-sale, within the specified ownership requirements, it is no longer eligible to enter another show.
17. Any animals not cared for or fed will be removed from exhibit and ineligible for the sale.
18. Exhibitors must feed and care for animals Saturday evening after the sale. Market animals cannot be removed from the stalls, pens, or fairgrounds without prior approval of each department chair.
19. Lamb Docking Rule: Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects.
20. All market lambs must be “slick shorn”. No “butt wool” style of clipping will be permitted.
21. All ewe lambs and doe goats must have a Scrapie identification tag from the breeders of the lambs and goats at fair weigh in.
22. Exhibitors must personally exhibit and sell their own animals unless prior arrangements are made with the committee.
23. Premiums: Quality premium money for swine, sheep, dairy heifers and beef are as follows: Blue \$11; Red \$9; White \$7; Trophies will be given for Grand Champion. Fitting and Showmanship premiums for swine, sheep and beef are as follows: First Place \$10 and a trophy or plaque; Second Place \$9; Third Place \$8 and so forth, down to \$1.
24. “Light weight” classes may or may not be available to all species.
25. Steers must be secured with both a halter and a neck rope.
26. Clean stall cash awards will be given to exhibitors who keep their stall space and walkway in front of their exhibits free of debris and bedding. (First Place \$15, Second Place \$12, Third Place \$10)
27. A rate of gain contest will be held for steers, hogs and lambs, that were officially weighed at designated tagging locations. (1st place-\$15, 2nd place-\$12, 3rd place-\$10, for each species.) Rate of gain is the average daily weight gain from tagging date to fair entry.
28. Pens, stalls and surrounding areas must be clean and free of clutter. Exhibitors not taking appropriate care of their animals will be sent home.
29. Judges will award placings of Blue, Red, and White according to the type, quality and condition of the animals. Animals meeting weight limits but receiving a white ribbon, as determined by the judge, will not be eligible for sale through the Junior Livestock Sale.
30. Market swine exhibitors are strongly encouraged to do all clipping at home prior to weigh-in and wash all animals prior to Thursday’s show. Facilities will be provided Wednesday thru Saturday from 8:00 a.m. to 8:30 p.m.
31. No exhibitor will be allowed to show an animal if he or she cannot control the animal in the show or auction ring. Assistance will be permitted at the discretion of the ring officials.
32. Each division chairperson is responsible for judges and any decision for the department.
33. Identification signs must be displayed on each pen or stall showing ownership.
34. Any animal not fitted, cleaned, or cattle not broke to lead shall be sifted by the committee; and the judge will award no premium to such animals.
35. Supervisors of departments shall have the right to place any animal into the class which he feels will furnish the best competition.

State Recommendations for County Fair Canning Guidelines

Many of the following requirements are based on SAFETY guidelines, ONLY those regarding presentation of exhibit or specific fair preferences are adaptable.

SPECIAL RULES FOR HOME CANNING

Canning rules are based on safe food preservation guidelines from approved sources (National Center for Home Food Preservation (NCHFP), USU Extension and Pacific Northwest Extension, USDA, and Ball Canning). See <http://nchfp.uga.edu>, canning.usu.edu, or www.freshpreserving.com

1. Only products of home kitchens are eligible.
2. Products entered must have been prepared (by the person entering them) since the last state/county fair. Older products will not be accepted.
3. All entries must be in clean, standard canning jars (e.g. no mayo jars) with new, single-use two-piece lids and rings.
4. A one-quart or pint jar constitutes an exhibit for fruit, vegetables or meat.
5. One standard-size canning jar constitutes an exhibit for preserves, conserves, pickles, and relishes based on recommendations from an approved recipe.
6. One pint or 1/2 pint jar with lid constitutes an exhibit for jellies and jams.
7. Exhibits should be canned using research-tested recipes, i.e., USDA, Ball, pectin brand name or NCHFP guidelines issued 2009 or later. Processing adjustments for altitude, time or pressure must be made and explained on entry label. Find your appropriate altitude adjustments by city: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_City.pdf or by county: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_County.pdf by following these provided links
8. All fresh fruits, jams, jellies, pickles and relishes must be processed in a boiling water bath and properly sealed. Entries processed in a steam canner will not be accepted.
9. No frozen jams or wax seals will be accepted. The presence of mold disqualifies a product.
10. All meats and vegetables must be processed in a pressure canner.
11. The exhibitor is requested to loosen the ring on the jar (so judges can remove ring and examine the head space).
12. REQUIRED: All jars must be labeled with exhibitor's name, name of product, method (water bath or pressure), pack (hot or raw), length of processing time, pounds of pressure (if applicable), altitude, date, city, recipe source (see above) and when the dial gauge was last tested. Raysha Renee Gladfelder Nielsen

July 9, 1992 - February 22, 2014

On February 22, 2014, Raysha Renee Gladfelder Nielsen, 21, while enjoying the beauty of the snow-covered mountains on her snowmobile, was called home by our loving Heavenly Father who granted our sweet Raysha her angel wings. Words cannot adequately describe our love and appreciation for the wonderful person she was to so many.

Raysha was born on July 9, 1992, in Logan, Utah, to Richard and Shellie Jackson Gladfelder. Raysha made spending time with her family a priority. Her favorite adventures include numerous family vacations, boating in Lake Powell, snowmobiling, dining out, planning the next family party and going to see Christmas lights at Temple Square.

She attended Sky View High School, Utah State University and Bridgerland Applied Technology College. Raysha worked as a Finance Manager at the family owned companies, Renegade Sports and Renegade Rentals. From a young age she cherished alone time with her father, her best friend. Many memorable hours were spent together in the shop, traveling to races, and just hanging out.

Raysha had her mom's beautiful smile, determination, and magnetic charm. She had a contagious positive attitude and a self-less energy that touched the hearts of all who knew her. Raysha was named after her grandma Renee, whom she had a special undeniable bond with.

Raysha has a son, Traxton Dwayne Nielsen, who was the joy of her life and center of her world. They spent each day making memories and playing together. Traxton, now four years-old, is following in his mother's footsteps and racing snowmobiles. To honor his mom, he races under Raysha's #113.

Raysha loved life. She was a very driven and talented woman, who through the love and support of family and friends accomplished many things. At age 13 she began snowmobiling and at 15 became a Pro World Champion Hill Climb racer. It is through this outlet that she established the foundation, "Racing for a Cure", to raise funds in the fight against cancer. Raysha designed and sold t-shirts to raise money as well as donating ALL of her race winnings to this cause.

We as a family promise that we will do everything in our power to keep your efforts for "Racing for a Cure" going in your honor.

We love and forever will miss you Raysha!
