It is time to sign-up for English Horse Camp 2017! Please read through this information sheet thoroughly and in its entirety.

Please register for English camp at <http://ut.4honline.com> Read the English Camp Rules and Regulations form and complete, with signatures in the appropriate areas before May 19, 2017. Payment for camp registration can be made online; if you prefer to pay with cash or check payment must be received in full by May 19, 2017. No refunds will be given after May 15th, a \$20 service fee on any returned checks.

Dates: The dates for camp are Tuesday June 13th - Thursday, June 15th. Stall set-up and assignment is Tuesday, June 12th, promptly at 7:00 am. The last day of camp, Thursday, June 15th the campers will participate in an English Schooling Show. A final schedule will be sent out after registration to confirm the schedule.

Information: This camp is tailored for those who want to practice English Riding. Instruction and classes are based on 4-H goals for the English Program. This will vary from standard Pony Club classes, heights, and patterns.

Meals at camp will be provided. Snacks and beverages will also be provided. Instructors and designated volunteers are invited to eat meals with the campers. There will be a \$15 fee for each family member who stays at camp and eats their meals with the 4-H campers. Please select the additional meals option when registering if you have additional people who want meals at camp. There will be a dinner/awards presentation the final evening of camp, after the schooling show is completed. There is no cost for any family members who come to this dinner/awards presentation. Families are invited to camp out in designated areas. If a camper does not have camping accommodations for sleeping, a fairground building will be available for sleeping. Showers are available.

Eligibility: This year we are allowing youth in their first year of 4-H to participate in the English 4-H Horse camp **if** they have successfully passed off Tenderfoot Ranks I and II, **AND** have a parent/adult present at camp to assist them. (**All other camp participants** must also have completed the Tenderfoot Ranks I and II, and **must** be signed off by their 4-H club leader - not their parent). All riders **must** be able to proficiently walk/trot if doing ground poles, and able to walk/trot/canter if jumping. This camp is based on riders already having basic riding/horsemanship skills, so they can advance their English riding skills.

Riders will be assessed by the instructors the first morning of camp to see if their riding ability and horse's ability supports the jumping height for which they have pre-registered. While we understand riders/horses may have managed to jump certain heights in the past, the instructors may feel decreasing the jumping height may improve their technique or be in the best interest/safety of the rider's/horse's ability.

Fees & Requirements: For **Cache County 4-H Horse Club members, the price for Horse Camp is \$90 per camper. For all other counties, the cost is \$100.** The camp will be limited to 35 riders. **ABSOLUTELY NO APPLICATIONS WILL BE ACCEPTED AFTER FRIDAY MAY 12th.** This is to allow enough time to order camp shirts, food, and set the final volunteer and instruction schedule. An additional stall deposit fee of \$75 (check) that will be refunded at the end of camp if all criteria regarding stall set up, take down, clean up around trailers, participation in general camp/dorm clean up and volunteer positions are met by the camper. This check will be collected at camp registration on June 13th. All campers will be required to supply parent or adult volunteer(s). A sign-up sheet for volunteer positions will be mailed with your camp confirmation letter after all applications are turned in.

Performance shirts: Each camper will receive a camp performance shirt. Additional shirts can be ordered with registration. Extra shirts are \$20 each, and must be paid for with the Horse Camp Application.

Horses: All horses must be immunized to attend camp, worming and resetting of shoes or trimming within 4 weeks of camp. **Immunization Records or Vet Note with dates of immunization must be brought to camp and presented at sign in.** All horses will be inspected at camp registration before being allowed in their stalls. Horses showing signs **of sickness, distress, or not properly cared for (this includes trimming or shoeing) will not be allowed to participate in camp.**

In the event of an identified disease threat in the region, horses may be required to be temped at check in. Any horse with a temperature of 102 degrees or higher will not be allowed at camp. We strongly encourage all campers to closely monitor the health, including temp checks, of their horse prior to camp. Visually inspect your horse for any signs of disease or illness in the days before and after camp. Taking the horses temperature is a good method to identify changes to the health of your horse.

Equipment: An equipment list for the classes will be included in your camp confirmation letter. English tack is preferred, but Western tack will be accepted, but rider will be limited to ground poles only. Any participant, who will be jumping, **must** have English saddle and tack.

English attire for the Schooling Show: Polo shirt, (or camp performance shirt), breeches, (can be stretch pants), belt, English boots or half chaps, and 4-H patch. Jackets may be worn, but not required.
