PURCHASING DETAILS

WAYS TO BUY

Buy Back: Purchaser pays the difference between amount bid and the floor price (Floor buyer takes animal)

Home Use: Purchaser pays the total price bid and is responsible for any expenses incurred in the processing of the animal (Buyer takes animal)

PURCHASING AN ANIMAL

Auction lots are determined by how the exhibitor places in their class. The sale order will be released prior to the auction. There is no price cap in the junior livestock auction. Buyers may pay as much as they would like.

Once the bid is final, you will fill out a slip declaring what you wish to do with the animal.
