4-H Volunteer Social

February 23
6:00-8:00pm

Join us for a charcuterie board night where we wood burn our personalized bamboo board to then be arranged for a beautiful and delicious charcuterie board. All 4-H volunteers welcome, and don't forget to bring a friend!

Custom Lasered Army Dog Tags

February 23
5:30-7:00pm
Grades: 6-10
Cost: \$10

In this super fun class students will design and create their very own personal identification dog tags!

Favorite Foods Contest

February 24
7:00pm
Ages: 8-18
Cost: FREE

Our first Cache County Contest of 2022 will be both a Favorite Foods Contest as well as a workshop for those wanting to learn how to participate in our monthly Cache County Contests.

Neopixel Coding Art

February 4, 11, 18, 25
6:00-7:00pm
Grades: 7-12
Cost: \$20

This is an eight week class filled with fun hands-on coding, math, art, soldering of LED's, and Arduino boards. Students will discover how numerical patterns and coding can create neopixel art that will help build on their coding skills, as well as enhance digital and generative art in a fun and creative manner.

Poultry Club Meeting

February 5
6:00-7:30pm

Join us for our poultry club meeting!

Lego Club

February 4, 11, 18, 25
3:45-4:45pm
Grades: 3-7
Cost: \$125 for 3 months

This club meets regularly on Friday! The class is geared for students who are just learning Lego robotics AND those who also have Lego experience. Students will be building Lego Robots, Coding, Lego Challenges, and so much more!

Simple Circuits for 4-5 graders

February 2, 9, 16
5:30-7:00pm
Grades: 4-5
Cost: \$15

In this fun three day class students will learn the basics of simple circuits, be able to explain what electricity is, how it is produced, and what will happen if we run out.

Dungeons & Dragons

February 7, 14, 21, 28
4:30-6:30pm
Grades: 5-10
Cost: \$15

In this class student's collaborative world-building involving storytelling, algorithms, decision making, invention, research, calculations, negotiation, and role-play has been proven that active spatial visualization can stimulate a developing intellect applicable to the real world.

Entrepreneur Class

February 21, 28, March 7, 14
6:00pm
Grades: 6-12
Cost: FREE

Whether you have a business idea in mind or want to learn the basics from passionate teachers, 4-H and non 4-H youth are invited to join a 4 week series of entrepreneurship classes taught by USU Jon M. Huntsman School of Business and 4-H mentors.

Steer Education Night

February 17
6:00pm

Join us for our junior livestock education with the focus of steer nutrition and daily care!
