

# Low Water-Use Turf. Yes, really!

06/06/2023

NEW! Turfgrass Water Conservation Alliance (TWCA) qualified drought tolerant turfgrass is now available at Lowe's Home Improvement Stores under the brand name Sta-Green Performance Max. Options include [Tall Fescue Grass Seedmix](#) and [Sun and Shade Grass Seedmix](#).

\*NOTE the Turf Water Conservation Alliance (TWCA) logo on the top right hand corner of the seed bag. **SLC TURF TRADE IS SOLD OUT FOR THE 2023 SEASON!** Again!

TWCA Qualified drought tolerant turfgrass is still available from TWCA members in Utah. All TWCA Qualified drought tolerant turfgrasses provide benefits to the environment, no matter where you get it! TWCA members:

- [Biograss Sod](#)
- [Chanshare Sod](#)
- [Granite Seed](#)

Be aware, though, these options are unsubsidized but are always available! Drought or not, it is critical we all use less water in the landscape so thank you for taking this step!
