Cloverbud & Discover Club

While summer brings a break from school—and from our regular Cloverbud and Discover Club meetings—it's also a great time to start thinking ahead to the fun and learning that awaits this fall!

Cloverbuds is for curious, hands-on youth in grades K-2, ready to explore and grow through fun, age-appropriate 4-H projects. Discover Club continues the adventure for youth in grades 3-6, offering even more chances to learn and lead.

Both clubs meet on the first Wednesday of each month @ 5:00 pm during the school year at the Utah House—a great place for kids to make friends, try new things, and start their 4-H journey. New members are always welcome! Want to join when meetings resume? Contact Lauren (Cloverbuds) or Delayna (Discover Club) to stay in the loop. Enjoy your summer—we can't wait to see you this fall for another year of learning by doing!
