THANK YOU!
We are sad to say goodbye to Jenna, our Davis County 4-H Horse & Livestock Coordinator. She has impacted hundreds of youth and has started many successful programs during her time as a coordinator. One of her many successes was during the pandemic when she made it possible for Davis County to safely hold both the Horse Shows and the Livestock Show and Sale. She has increased program awareness and assisted the youth in rewarding fundraisers. The Davis County 4-H team is very grateful for the time we've had to work closely with her. Jenna, we wish you the best of luck on the next chapter in life and look forward to continuing to work with you as a volunteer!

Jenna's last day is December 31. If you've had the opportunity to work with her, take a second to send her your thanks. jenna.aldrich@usu.edu
