PIXELATION CONTEST

What is Pixelation? It's where STEM meets Art. Items are made using individual units to create one image. There are so many options! Beading, cross-stitching, paper craft, quilting, diamond art, legos, and more! You pick the medium, make the design, create the project, and then submit pics and an explanation online.

WHO: 4-H'ers grades 3-12

WHEN: January 30 - February 28

WHERE: Online submission through Zsuite

COST: FREE

REGISTRATION: Submit project in Zsuite
