

AGRAbility

O F U T A H

*Promoting Success in Agriculture for
People with Disabilities and Their Families*

A Partnership

AgrAbility is funded by the United States Department of Agriculture (USDA).

Purpose of AgrAbility

Help farmers and ranchers facing limitations due to injury, illness, disability, or aging remain in agriculture.

AgrAbility was created to help those in rural areas access disability resources.

- AgrAbility services are free.
- AgrAbility does not pay for assistive technology.

Farmers and Ranchers who:

- face limitations due to chronic illnesses and injuries, disabling conditions, or aging
- are engaged in production agriculture (\$1,000 or more annually from agriculture)
- operate land in Utah
- and their family members
