

2021 Duchesne County Livestock Tagging

Locations

This year we will be tagging at central locations for each area of the county. If you cannot make your area tagging date, we strongly encourage you to attend one of the other location dates. There will be a \$20 fee per animal charged if we are required to come to your residence/farm to tag animals. This fee will be collected at time of tagging. All animals must be haltered to be tagged. All youth must be signed up for 4-H (4h.zsuite.org) or with an FFA advisor **BEFORE** tagging.
