Dear Potential Buyer,

I will be selling the market animals, listed to the right, at the Duchesne County Fair Jr. Livestock Show on Friday August 9th.

If you would please consider my animal(s), another exhibitor’s animal(s), or supporting our Duchesne County Fair Jr. Livestock Show to help educate youth in the growth and development of agriculture and livestock in our county. Your time and support is greatly appreciated. I have attached information and pictures about the work I have put into my project(s).

Thank You,
