

Epsilon Sigma Phi
Iota Chapter - Annual Meeting
November 3, 1972 - 11:00 a.m.
Room 225, University Center
Utah State University Campus

President Ray Thatcher took charge and called upon Lloyd Hunsaker to offer prayer.

Initiations were held and inducted into the chapter were:

DeVon Andrus	Carl M. Johnson
Elaine Hatch	Carroll Latham

The minutes of the 1971 meeting and the financial statement were read by Secretary Ray Burtenshaw. The minutes were approved. The auditing committee, composed of Jay Hall and Paul Christensen, reported the books in order and they were approved. An explanation was also given on dues for the state and national levels.

Vice President Clark Ballard reported he would attend the National Meeting on November 12. He also offered \$100 to the individual who makes the greatest contributions to the updating of the history of the association during the next year. It was moved by Dave Sharp and seconded by Fullmer Allred and passed that the chapter accept Vice-president Ballard's offer.

Amy Kearsley, Historian, reported that several of the retired agents histories had been put on tape during the year. A moment of silence was observed for S.R. Boswell and A.L. "Arch" Christiansen, retired agents who had died during the year.

The following retirees present stood and were recognized:

George Henderson	Russell Keetch
Dave Sharp	LaMont Tueller
Anson Call	Joseph Parrish
Reed Moore	Ray Thatcher
Lloyd Hunsaker	

Ballets were passed by the nomination committee, composed of Paul Daniels, Lee Rogers, and Libbie Maughan and the following were elected officers:

Melvin Burningham - Moved from Vice-president to President
Darrell Stokes - Vice-president
Amy Kearsley - Historian
Ray Burtenshaw - Remains as Secretary-Treasurer for another year

A discussion was held on whether the chapter should purchase flowers for members who pass away. As the State Extension Office has been recognizing these families with flowers from the flower fund. It was felt that a duplication should not be made by sending more flowers, but that the chapter should recognize these families with something appropriate. A motion was defeated to send flowers or a gift or other remembrance as a letter. Flora Bardwell then motioned, "That proper recognition be given as recommended by the officers of the Chapter." This motion was seconded by Bernice Paulfreyman and passed.

Wayne Rose notified the group that Paul Daniels was being submitted at the National Convention of County Agricultural Agents for Vice-president of that organization.

The meeting adjourned at 12:00 noon for the Annual Extension Recognition Banquet to be held in the Sage Room.

Ray Burtenshaw
Secretary-Treasurer
