Epsilon Sigma Phi

Epsilon Sigma Phi is the National Honorary Extension Fraternity. It began in January, 1927, in Bozeman, Montana.

Utah's Iota Chapter held its first meeting on May 9, 1927, at the Eccles Hotel located in Logan, Utah. The first initiation ceremony honored six candidates and was held July, 1927.

Purpose

The purpose of Epsilon Sigma Phi is to maintain the standards and ideas; to uphold the morale, prestige and respect of the Extension Service; to develop an effective working relationship and a spirit of fraternal fellowship among present and former Extension employees and to promote professionalism with the Extension Service.

Emblem

The official emblem of Epsilon Sigma Phi has a wall of Troy built around the outside symbolizing the protection which the fraternity gives to its members. The "E" on the stem of the key signifies Extension. The Greek letters are interpreted to mean Extension Service Veteran.
