

NACAA Scholarship Program:

The purpose of the NACAA Scholarship program is to provide professional improvement opportunities for members of NACAA. The funding for the scholarships is provided by the NACAA Educational Foundation. Scholarships are awarded to both individuals and groups. Some examples of scholarships that have been awarded are:

- Completing advanced degree
- Attend specialized training or conference (NACAA AM/PIC not eligible)
- Group professional development tours

Study can be done both domestically and abroad. \$1,000.00 is maximum available per year with a total of \$2,000.00 total over the members Extension career. Members must be vested (\$40.00) to be eligible for the first \$1,000.00 and an additional \$60.00 for a total of \$100.00 is required to be eligible for the second \$1,000.00. For more details see the NACAA website. Awards – Scholarships. <https://www.nacaa.com/>

UACAA Scholarship Role

Upon payment of their first annual dues, new UACAA members will have the minimum \$40.00 requirement for the NACAA Scholarship Program paid by UACAA. The remaining \$60.00 are the member's responsibility to furnish. Value and auction sales price of donated items qualify toward the total vested requirement of \$100.00. Members may also contribute directly to the NACAA Scholarship fund.

UACAA members can check their vested level on the NACAA website (see link above). Awards – Scholarships – Continue. For more information contact the UACAA Scholarship Committee Chairperson.
