OU Campus Top Nav Reference Guide

The top nav file for each site section is located in the the file is located in the section's **_resources** folder. It's named **/_topNav.inc**.

To customize a top nav, copy and paste the elements below in the order you'd like that you'd like them to appear in the menu.

Required Code

Make sure to include the below line of code at the top of each top nav file. Adding the code will prevent users from editing the top nav file in the WYSIWYG editor, which can cause any icons in the header to be removed:

```
&lt;!-- ouc:editor csspath=&quot;/
resources/ou/editor/nav.css&quot;
cssmenu=&quot;/ resources/ou/editor/
styles.txt&quot;/ wysiwyg=&quot;no&quot; --
&gt;
```

Code For a Basic Top Nav Link

To create a single text link in a top nav, paste the following line of code and replace the bolded text:

```
&lt;li class=&quot;nav-item&quot;&gt;&lt;a
