

CLASSROOM DATA FORM

Reporting an unduplicated count means providing the number of unique individuals per intervention, regardless of the number of direct education sessions. Actual counts should be used whenever possible. Estimated counts are appropriate in certain cases, such as when single presentations are given to families at school events.

Total _____
Actual Count
Estimated Count

Number of SNAP-Ed participants (unduplicated) by age group and sex:

A row may have both actual counts and estimated counts.

		Actual Count	Estimated Count
Gender/Sex	Male		
	Female		
	Non-binary		
	Prefer not to respond		
	Unknown		
Age	0-4 years		
	5-7 years		
	8-10 years		
	11-13 years		
	14-17 years		
	18-59 years		
	60-75 years		
	76 years or older		
	Prefer not to respond		
	Unknown		

Number of unduplicated SNAP-Ed participants by race and ethnicity:

As in the numbers above, a row may have both actual counts and estimated counts. Actual counts should be used whenever people self-identify. Estimated counts are appropriate in certain cases, such as when individuals do not identify with a specific race and are assigned one or more than one for reporting purposes.

		Actual Count	Estimated Count
Ethnicity	Hispanic/Latino		
	Non-Hispanic/Non-Latino		
	Prefer to not respond		
	Unknown		
Race (Select one or more)	American Indian or Alaska Native		
	Asian		
	Black or African American		
	Native Hawaiian or other Pacific Islander		
	White		
	Prefer not to respond		
	Unknown		

Number of Session(s) of education:

A. Please write in the number of total session(s) of Create Better Health (SNAP-Ed) education delivered

B. Circle the length of the session(s) in minutes and write the corresponding number of session(s)

Format	A. Number Delivered	B. Time Range	
		Session (in minutes)	Number of Sessions
1. Single Session		0-30	
		31-60	
		61-90	
		91-120	
		Over 120	
2. Series of 2 to 4 Sessions		0-30	
		31-60	
		61-90	
		91-120	
		Over 120	
3. Series of 5 to 9 Sessions		0-30	
		31-60	
		61-90	
		91-120	
		Over 120	
4. Series of 10 or More Sessions		0-30	
		31-60	
		61-90	
		91-120	
		Over 120
