

Come Join Us as a Volunteer!

Volunteers will have the chance to join Create Better Health,

which is Utah's SNAP-education agency. We teach people who are eligible for food assistance how to eat healthy on a budget. As a volunteer you will be able to complete projects within the county where you live, such as put on healthy food drives, teach Create Better Health classes, and work at events with the program.

What You Get

JOB OPPORTUNITIES

Priority for Create Better Health job positions when they become available

NNCP CERTIFICATION

The chance to participate in the National Nutrition Certification Program to become a certified nutrition educator
