

COUNTY IMPACT REPORT

NUMBER OF PEOPLE REACHED THROUGH FOOD \$ENSE

- 116 homemakers, 63% Hispanic, 36% white received the Food \$ense lessons in Wasatch County.

Farm Field Day was attended by 456 3rd grade students who learned the importance of washing their hands; 426 students in kindergarten and first grade made their own loaf of whole wheat bread in a bag and learned the different steps of grain from field to bakery.

WORK PERFORMED

Volunteers helped with making bread in the schools and with washing hands at Farm Field Day

PARTNERSHIPS WITH LOCAL ORGANIZATIONS AND AGENCIES

- Community Coalition
- Wasatch County Health Department
- Community Foundation
- Wasatch County School District

HOW AM I FIGHTING HUNGER?

We provided a booth about the Food \$ense SNAP-Ed program and helped organize a Community Thanksgiving dinner. Approximately 300 hungry people attended.
