Information Check Sheet 2019

Congratulations! You have completed your 4-H sewing project in time for the county fair judging. Now it's time to get ready for the 4-H Fashion Revue. This information packet is designed to help you prepare for the interview and modeling portion of the 4-H Fashion Revue. If you have any questions or concerns after reading through this information, please feel free to contact Callie Ward, USU Extension Family and Consumer Sciences Agent, at 435-770-8561.

What all does the Fashion Revue cover? Fashion Revue is a combination of an oral presentation, modeling of the sewing or maker project and response to questions from the judges. Outfits/garments/projects can be constructed, modified, or purchased. All outfits/garments/projects will be judged against each other.

There will be four categories

- **Decorate Your Duds** - Contestants will be judged on quality, oral presentation, and interview responses. This category will include items redesigned, embellished, and fitted. Tie Dye, Bedazzled, Thrift Store Find redesigned, or more!

- **Smart Shop Challenge** - Contestants will be judged on cost, style, time spent, oral presentation, and interview responses. This category will include any purchased or previously owned outfit. Come showcase your new school clothes, that thrift store find, or dig deep into your Mom’s 90’s collection and revamp it for 2019!

- **Cosplay** - Contestants are to develop a cosplay outfit to show off their costume to the judges. “Cosplay” is a contraction of the words costume play. It is a performance art in which participants called cosplayers wear costumes and fashion accessories to represent a specific character. Each contestant or team will model their costumes as well as give an oral presentation. Ability to “be in character” is key. Contestants may answer questions and include information in their oral presentations that is fictional in order to maintain character. DRAMA kids...this one is for you!!

- **Sewing Construction** - Contestants will be judged on construction, oral presentation, and interview responses. This category will include clothing, garments, or projects all made from scratch. Enter your pillowcase, quilt, backpack, anything you constructed!

Fair Entries: Your garment/project will need to be entered in the Garfield County Fair at the Garfield County Fair building on **Tuesday, August 13, 2019 between 5:00 pm and 7:00 pm or Wednesday, August 15th, 2019 between 9:00 am and 12:00 pm**. Register your project on FairEntry.com. Your garment will be judged on Thursday, August 16, 2018 by judges from another county. The judges will determine how well your garment has been constructed. You will receive a judging sheet and a ribbon for this area of judging. (Ribbons and judging sheets from the construction judging on Thursday will not be available until you pick up your project from the county fair). Please Note: In order to participate in the 4-H Fashion Review, you must enter the project to be judged on Thursday, August 15, 2019. With the exception of the shop smart challenge.
4-H Fashion Revue Judging: Judging will take place Wednesday, August 14th, at 4:30 pm. You will pick up your projects at 4:30 pm and change at the fair building. You will need to be ready (hair, make up, etc.) when you change for judging and the revue. You will need to leave your garment/project at the fair for display and to be judged on construction after the 4-H Fashion Revue that evening.

Commentary: With this information packet, you will find a copy of the Personal Data and Commentary Sheet. Please fill this out and bring it with you on Wednesday, August 14th, 2019. (See "Descriptive Terms and Phrases" in this packet for ideas to describe your garment). It also helps to include a small swatch of fabric with your commentary. Having your commentary finished and complete with a little swatch of fabric makes our lives much easier!

Answer the commentary questions carefully! This is what we will use to describe you and your garment/project at the 4-H Fashion Review. The audience wants to know about you and your sewing experience. You could also include hobbies, pets, family info., what your career goal is, what you plan to sew next, favorite food, etc. Extra copies of this commentary sheet will be available in the office and at the workshops in case you want to make some changes or need help.

Interviews: During the judging on August 14th, you will be interviewed by a Fashion Revue judge. We have included some of the possible questions that the interview judges might ask you. Don’t be nervous! The interview judges are always fun and very positive, and interviews are a great learning experience! Also - have a snack while you are waiting for your turn to be interviewed.

Pictures: On August 14th, you will have your picture taken with your garment during judging and the revue. Other pictures may be taken that evening with your family. Make sure you get your picture taken with Miss Garfield County winners and participants. It will make a great addition to your 4-H Portfolio!

Modeling: We will assist you with learning how to model your garment. You will be taught where to go on stage and how to model during the workshops in the morning. The MC’s will read your commentary to the audience that evening while you model your garment.

Fashion Revue: Please invite the entire family and friends to the Fashion Revue Wednesday evening, August 14, at 7:00 p.m. at the Garfield County Fair Building.

And don’t forget-

FREE AGGIE ICE CREAM!!!
For the participants and their family and friends.
