## Farmers Feeding Utah Host Another Successful Miracle Project in Kanab Utah

As the Covid-19 pandemic continues to strain food lines, Farmers Feeding Utah strives to build a bridge between farmers and hungry families. On March 26, volunteers provided food to approximately 300 families. Families received bags of Utah-grown products, including potatoes, apples, beef, milk, cheese, eggs, mushrooms, tomatoes, and more. The beef provided at the Kanab event came from local ranchers, John and Dusty Reese.
