New Funding Boosts Utah State University's SNAC Capacity

Recent funding from the COVID Response and Relief Supplemental Appropriation Act (CRRSAA) has allowed Utah State University to hire a full-time Food Security Coordinator at USU. This position will increase the school's capacity to more fully assist Aggies during their time at USU and ensure their basic needs are met. If you would like to support the work of SNAC, you can donate to their Aggie-Funded campaign at <https://www.usu.edu/aggiefunded/snac2021/>.
