

Utah State University Student Organic Farm

01/08/2020

Utah State University Student Organic Farm

The USU Student Organic Farm donates hundreds of pounds of fresh produce to the USU SNAC Pantry and the Cache Valley Food Pantry. This year they added the Family Place to the list of organizations they donate to. Students are invited to volunteer on the farm in return for fresh produce. They also hold end of season gleaning parties to ensure nothing goes to waste.
