**Rick Utting**

Clanton & Associates, Inc. | Lighting Design & Engineering  
Outdoor Lighting Team Leader

## **Biography**

Rick Utting is an Outdoor Lighting Team Leader for Clanton & Associates, an award-winning lighting design and engineering firm based in Boulder, Colorado. Rick also serves as an independent consultant for DarkSky International.

Focused on pedestrian vision and the environmental sustainability of outdoor lighting, Rick consults with counties and municipalities regarding their lighting guidelines, ordinances, and state statutes. Rick also uses his outdoor lighting experience to serve the Illuminating Engineering Society (IES) as Vice Chair of the Outdoor Nighttime Environment Committee (ONE).
