This is fun and your kids will love seeing their projects on display.

Three Easy steps
(Ok maybe not completely easy but we are here to help)

1. Get a box
   Let your child pick their one or two favorite projects from each class they have done or the ones they want to share.
   Place items in the box.

2. Register your items and schedule a drop off time by using fairentry.com.
   We are going to walk through this step today.

3. Bring your box of items to the multipurpose building at your scheduled time to drop off.
   After the fair you will pick your items and premium money up at the same location.

*Important Reminders*

Each exhibitor can have multiple entries. One entry must be made for each item, class, lot, etc. (Our fair allows 2 entries per class per kid)

Example: If an exhibitor brings 2 photographs, two entries into photography must be created.

Once all entries have been created for the first exhibitor, you have the choice to create another exhibitor in this group or proceed to checkout.

Remember we do not charge for entries but the system will use the word fees, payment, etc.
