

Summer of 2026

Christi Nicholls, 4-H Program Coordinator

Summer is just around the corner, and we're getting excited for all the fun ahead! 4-H has a full lineup of activities planned, and there truly is something for everyone to enjoy.

Kicking things off May 6–7 is our *Race to the Fair* camp, hosted by the Juab Teen Council. This two-day camp is packed with hands-on fun! Campers will design and personalize their own hats, build a race-ready car, take part in active games, and even tackle an obstacle course using sphero robots. Best of all, everything they create will be ready to enter in the county fair!

Looking for something fun in the evenings? On May 7, May 14, and June 4, the Juab Teen Council will host open line and swing dancing—with instruction included. Teens ages 13–18 are invited, and there's no need to register. Come as you are and bring a friend!

Throughout June, you'll find us out and about for *Summer in the Park* every Tuesday and Wednesday. We'll be rotating through parks in Mona, Nephi, and Levan, offering free crafts, activities, and snacks. It's a great way to spend a summer afternoon with friends and family.

On June 11, we'll take to the skies with our one-day *Drone Camp*. Youth will learn the basics of drone operation and safety—and each participant will go home with their very own drone to keep practicing!

For our younger members, *Junior Youth Conference* (grades 5–6) will be held June 29–July 1 in Price at USU Eastern. This overnight camp is filled with workshops, activities, and even a dance—perfect for making new friends and trying new things.

At the same time, June 29–July 1, *i-4-H* will be happening for youth in grades 7–8, also at USU Eastern in Price. This overnight experience includes engaging workshops, fun activities, and a dance you won't want to miss.

Teens in grades 9–12 can look forward to *Teen Summit*, July 13–15 on the Utah State University campus in Logan. This camp focuses on leadership development, service, and connection—with plenty of fun mixed in, including a dance.

We'll wrap up the summer with one of our favorite traditions—the Juab County Fair, August 1–8. From exhibits and activities to livestock and horse shows (and of course the demolition derby), it's a week full of excitement and community pride.

If you have questions or would like more information about any of these events, please don't hesitate to reach out to the Extension Office—we're happy to help!

We can't wait to see you this summer—come join the fun!
