

# **Fair Entry Instructions**

You must have a completed and approved 4-H or FFA entry in order to show.

Fair Entry cannot be completed until your animal is tagged (tagging dates are available on our website Morgan County Jr Livestock).

You must complete Fair Entry for the Spring show even if you are not planning on attending (this entry will roll over for the county fair).

Please sign up as a family.

Your Entry must have 1 showmanship as well as 1 market class for all species showing. If you are showing multiple of the same species, a market class must be chosen for each animal you are showing. Same rule applies if you are showing different species.
